FROM THE DESK OF THE VICE PRINCIPAL

As India ushered in the era of its “Amrit Kaal”, the country has seen rise in the patriotic fervour and the feeling of unity. As the programme “Ek Bharat, Shrestha Bharat” to enhance interaction and promote mutual understanding between people of different states/UTs through the concept of States/UTs pairing, our Vidyalaya got paired with “Odisha” state.

The school students often got connected via Online platform with the students of the paired state and got a glimpse of the local culture, traditions, tourism, cuisines, music and sports.

I believe, “The greatest pleasure in life is doing what people say you cannot do”. I feel ecstatic to see the Social Science Department of our Vidyalaya is putting in all efforts to achieve aims and objectives of this programme. The Department has been carrying out various activities to promote the feeling of oneness as well as uniqueness of our culture.

We are a proud institution to boast of including pupils from different states having varied cultural background. May it be Morning Assembly, CCA activities or Cultural Programmes, students have never failed to exhibit their latent inborn talents and richness of their vernacular cultures. This would be my motto for the dear lovely students: “Reserve your right to think, for even to think wrongly is better than not to think at all.”

I wish the Social Science Department all the success for bringing out this exceptional Newsletter showcasing the activities and the feats achieved throughout the year so that the future batches would feel inspired and go places in achieving the motto of the flagship programme “Ek Bharat, Shrestha Bharat”. I appreciate the efforts of my dear ever energetic students who have been a part of this initiative. Kudos to you all!

GRATITUDE

"Success in life is a result of continuous hard work, strong will to fight and undying determination" I am highly honoured and obliged to the Principal, KV O. F. CHANDA for giving me the opportunity to chair the duties as the in-charge of AKAM. I extend my heartfelt gratitude to all the staff members for their active participation and the encouragement they provided to the students which keep them motivated throughout the activities conducted under AKAM & EBSB. The accomplishment of various activities under AKAM & EBSB would not be possible without the involvement of students and their creative spirit. I acknowledge them all for their efforts and hope that they will discharge their duties as a responsible and informed citizen of the well-cultured and the most diverse nation on the earth. My heartiest thanks to Principal, Vice- Principal, HM, Teachers, Parents and dear students for preparing this bouquet of E-magazine.

EK BHARAT SHRESHTHA BHARAT PROGRAMME

Ek Bharat Shrestha Bharat programme aims to enhance interaction & promote mutual understanding between people of different states/UTs through the concept of state/UT pairing. The states carry out activities to promote a sustained and structured cultural connect in the areas of language learning, culture, traditions & music, tourism & cuisine, sports and sharing of best practices, etc.

The idea of a sustained and structured cultural connect between people of different regions was mooted by Prime Minister Shri Narendra Modi during the Rashtriya Ekta Divas held on 31st October, 2015, to commemorate the birth anniversary of Sardar Vallabhbhai Patel. Hon'ble Prime Minister propounded that cultural diversity is a joy that ought to be celebrated through mutual interaction & reciprocity between people of different States and UTs so that a common spirit of understanding resonates throughout the country. Every State and UT in the country would be paired with another State/UT for a time period, during which they would carry out a structured engagement with one another in the spheres of language, literature, cuisine, festivals, cultural events, tourism etc. For example, our state Maharashtra is paired with Orisa for During this period, Maharashtrian students would attempt to learn key words in Oriya & vice-versa. Both state's students would learn about foods, festivals, folk dances etc of each other state. Besides it, they make pen friend of partner state, make virtual tour of partner state. This pattern of cultural adoption of the partner State/UT would be followed by all states and UTs. Thus, such type of activities enhances knowledge of partner state, increase national integration, promote national unity, and develops respect towards cultural diversity of our nation.
